- We credit-check Guarantors and obtain work references (and obtain proof of property ownership if applicable). The Guarantor can be related to the applicant or can be a friend.
- The guarantor **must** be present during the signing of the tenancy agreement, they will be given a copy of the tenancy agreement to read and sign each page, to give an undertaking that they have understood the terms of the agreement and will have to sign a guarantor's agreement.
- In the event that the tenant does not make rent payment, the guarantor will be contacted at the same time the tenant is sent reminder letters of rent due or arrears or any other liabilities that may arise.

## The guarantor's application form - (this will be emailed to you)

- An application must be fully completed by each named guarantor and returned. You will be required to give full details of your Employer, as well as other details. Failure to complete this application form thoroughly will only result in a delay completion of the report.
